Report of Superintendent

To the Superintending School Committee and the Citizens of the Milan School District:

FOREWORD

This report is being made at a time when the world is engaged in a great struggle between the ideologies of the democracies and that of the totalitarian governments. In this hour of world crisis when the rights of free men everywhere are being threatened with destruction, it is mandatory that we pronounce in a positive and unmistakable manner our belief in the Democratic Way of Life. We must not let anyone forget that liberty involves and requires the highest degree of individual and group responsibility. The stronger the thrust against us—the stronger must be our conviction and appreciation of our heritage.

We have said before that democracy cannot exist without education. The opposite is also true. Education cannot grow and flourish without democracy. The schools must be our citadels of democracy in war or in peace.

Children are shaped by the entire community. Within the neighborhood are hundreds of forces that impinge upon them. In our hands, as parents and citizens, rests the obligation to see that on the home front the foundations of morality, religion and culture are strengthened. We must strive to rise to the demands of a tremendous present, of a fateful future, as we face our task. The future of our country is in our hands.

TEACHERS

There were no changes in the teaching staff of the district during the past year. The teachers are as follows: at Milan Village, Avis Croteau, Principal, Grades 6-8; Barbara Potter, Grades 3-5; Marion Armstrong, Grades 1-2; at West Milan, Fannie Mullins, Principal, Grades 1-4, and Bessie Stiles, Grades 5-8.

BUILDINGS AND EQUIPMENT

The school buildings are, for the most part, in a state of good repair. During the summer months, the usual thorough cleaning, minor repairs and improvements were made. A new emergency exit door was provided at the West Milan school lunch room. A new heating unit has been installed in the upper room at West Milan.

The two buildings are quite adequately equipped. No new equipment was added due to the restricted school budget. It is generally considered a good policy to add some new equipment each year in an effort to keep up-to-date and replace worn out units.

ENROLLMENT AND ATTENDANCE

There are, at this writing, 125 enrolled in the two schools; 41 are at West Milan and 84 at Milan Village. This total figure represents a decrease of eight from the corresponding period a year ago. We have 27 enrolled at Berlin High School.

West Milan had a most commendable tardiness record with but two "black marks" for the entire year for both rooms. The Milan Intermediate room, Grades 3-5, had the poorest record with 50 tardy marks for the year.

The percentages of attendance were again low this year. All were far below the 97% which is considered commendable. The Grammar Room, Grades 5-8, at West Milan had the highest per cent with 94.71. I urge the full cooperation of the pupils, parents and teachers in an effort to improve these records.

TUITION

We have 27 enrolled at Berlin High School. Of these, six are seniors. There are 14 pupils in Grade 8 so it is expected that our number of tuition pupils will increase next year. The tuition rate for 1951-52 at Berlin has been set at \$200.00 per pupil.

SCHOOL CALENDAR

It is proposed that the school board adopt the following school calendar for 1951-52.

November 22, 23, Thanksgiving Recess

December 19, Wednesday, School Closes

Fourth Term (34 days)

School Year 180 days.

NOTES ON THE BUDGET

The School Board's total budget for 1951-52 is \$30,441.63 as compared with a budget of \$33,411.00 presented for 1950-51. You will recall that the adopted budget for 1950-51 was \$31,700.00. The largest factor in the reduced total budget is the elimination of the Veteran's Program which will conclude on January 17, 1951. This was an off-set item but it built up the total budget figure even though it did not affect the amount raised by local taxation.

The budget this year contains the noon lunch anticipated receipts and expenses. This money is payable to the school district treasurer and needs to be budgeted. It does not in any way affect the amount of the local tax. Exactly the same amount is reported under anticipated receipts as is reported under anticipated expenses.

A new State Aid formula is being presented to the legislature this year. Under the formula Milan would receive more aid than during the last year. Caution would prevent us from trying to second-guess what action the legislature might take on the bill.

SPECIAL ARTICLES

Two special articles have been introduced into the warrant for consideration by the voters. One article brings up for consideration the matter of appropriating money for high school transportation. You will recall that \$1,300.00 was appropriated for 1950-51 to be paid at the rate of one dollar per week per child.

The second of the special articles pertains to the question of painting the school houses. Some paint has peeled from the new building at Milan and a second coat might be considered advisable at West Milan. The School Board is asking the district meeting to determine what shall be done.

CONCLUSION

The schools are the community's opportunity for reaching all the children of all the people. It is our duty to provide their education, not education merely in terms of books, credits and diplomas, but education in terms of preparation for living and earning.

I take this opportunity to express my appreciation to the members of the School Board, parents, teachers and citizens for the support and cooperation they have given the schools during the past year.

Respectfully submitted,

ALBERT P. KNIGHTLY,

Superintendent of Schools.
